### **Save Time & Money with One-Stop Appliance Shopping in Granby**

*Legacy Building Specialties and Gambles Appliances Share Space*

Granby, CO (October 20, 2008)—If you need appliances for your home or business, now there's a one-stop shop in Granby that offers the widest selection around at competitive pricing. Gambles Appliances recently relocated within the Legacy Building Specialties location at 17 Ten Mile Drive in Granby. As a result of the move, a broad spectrum of appliances is located in one convenient building.

“The companies remain separate entities,” explains Tom Pierro, owner of Legacy Building Specialties. “Since our businesses complement one another, we decided it made sense to share a common space making it easier and more convenient for shoppers,” adds Pierro. Gambles Appliances is located in the east side of the building while Legacy Building Specialties occupies the remaining 75% of the space. Since both companies cater to different audiences, there is no direct competition. Additionally, the Kitchen and Bath Department at Legacy frequently visits Gambles with clients to aid in the selection of budget-minded appliances. “Sharing a space with Gambles eliminates a separate trip to review additional appliances. Now, we can just walk clients next door to Gambles, if needed,” says Terry Peterson, Legacy Kitchen Designer.

While both companies sell appliances, each company represents different lines. Legacy Building Specialties caters to the premium or luxury lines such as AGA, Bosch, Thermador, Fratelli, Kuppersbusch, Marvel, Northland, DeLonghi, Ilve, Wolf, and Sub-zero. Gambles Appliances caters to the main stream appliance market and carries brands

such as KitchenAid, Maytag, Jenn-Air, Whirlpool, Amana, Magic Chef, Sharp, Viking, Electrolux, and Frigidaire. With these complementary lines, sharing space makes it easier for clients to select their appliances.

Customer service goes one step further. Both companies deliver and install the appliances. “It’s a win-win situation for both of us, and for our clients. This provides the opportunity for Grand County builders and homeowners to purchase all their appliances in one location. We are competitive and offer a time- and money-saving experience for our clients and eliminate the need to make a time-consuming special shopping trip to Denver (and a tank of gas) for appliances they can buy locally,” explains says Casey Ferrell, owner of Gambles.

Visit Legacy Building Specialties and Gamble Appliances today to check out our full appliance line-up conveniently located at 17 Ten Mile Drive in Granby. “Shop at our stores, where we value your business,” promises Pierro.
