What's new at Legacy Building Specialties

AGA ranges among the best

Legacy Building Specialties is proud to announce that it now carries one of the top names in custom ranges: AGA.

AGA is known the world over for the performance, style and quality of its ranges.

Beneath the classic look of every AGA is a heart of cast iron that steadily transfers heat from

its core into its ovens and hot-plates. An AGA cooker is always ready to perform.

AGA also offers a line of under counter refrigeration products, dishwashers and a complete collection of cookware and cooking accessories. To see a complete line of AGA products, visit our web site: www.LegacyCWD.com or stop by the Granby showroom to see a floor model of the Legacy dual fuel range.

AGA ranges maintain consistent temperatures while the insulated casing ensures that fuel is used economically. The AGA cooker releases a unique source of gentle, friendly warmth into your kitchen.

Legacy offers a wide range of quality cabinetry styles

No matter what your style — rustic mountain, traditional, modern contemporary — the Legacy Design Team has the knowledge and technical expertise to match your design style with products to provide for a perfect fit and finish to a beautiful home.

Legacy's designers can take what seems like an overwhelming task of choosing from thousands of cabinetry

options and guide their clients through the process from start to finish. Designers also help with hardware, countertops, and appliances while providing choices that fit a client's style, needs and budget.

Stop by the premier showroom in Granby to see designer cabinetry displays along with numerous countertop options, and learn more about the many brands of appliances Legacy carries.

A Word from

Tom Pierro

President

As the owner of Legacy Building Specialties, I want you to know that I value each relationship we build with our clients. For those of you who have purchased from us or referred business to us, I want to thank you for this business — it is appreciated.

My responsibility to you is to be certain that all of your product and service needs are met in a timely fashion and to provide you with a level of service that is second to none. I understand that you have certain expectations of Legacy Building Specialties and our team members but let me explain what you can expect from me.

- I will always look out for you, your client or your company's best interest.
- I view Legacy as an extension of your arm to assist you in making specialized decisions.
- I will make sure you get the correct answer to any questions you may have.
- Price is never an issue; we commit to be the most competitive in the marketplace. Legacy will be your one-stop shop.
- I will only represent premier manufacturers in the industry, and I ensure they stand behind their products as I stand behind them.
- I have a no-lose policy when it comes to competitors. If we are not the front runner I would like to know so I can see what I can do to win your business.

I expect that each one of the Legacy team members supports you, your client or your company in the same fashion.

Please let me know if there is anything I can extend to help you with your purchase.

Featuring the Window and Door Team

Legacy window and door specialists are highly trained, reliable professionals dedicated to providing premier service and the finest quality windows and doors for your home or place of business.

Free estimates for new construction and remodel projects are only the beginning of the services provided by the department. They work closely with the delivery and installation department to

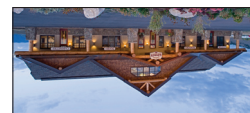

make sure all job site deliveries happen in a timely fashion and that all products arrive in top-notch condition.

The window and door department specialists are experts on the many brands of interior and exterior doors and windows that Legacy carries. They can also assist with selecting hardware and screen doors to complete any project. You can view our products on our showroom floor or on our web site: LegacyCWD.com.
